

TITLE: PARK MAINTENANCE WORKER 2
CLASSIFICATION: PARK MAINTENANCE WORKER 2

ORGANIZATIONAL CONTEXT

Regional Operations Branch is the front-line service delivery branch within Parks Division of the department of Forestry, Parks and Tourism. Regional Operations is responsible for enabling outdoor nature-based recreation across over 200 high-value sites, facilitates approximately 12 million visitors annually, and consists of a peak summer operating season team of over 700 permanent and seasonal staff. The Branch is responsible for the delivery of an eclectic range of front-line public services ranging from safe water plant operation to engaging interpretation stage shows.

The Parks Maintenance Worker 2 operates within the Maintenance and Municipal Services Stream to ensure that Park facilities, grounds, equipment and vehicles are maintained, serviced, cleaned and operated in a manner which provides a quality visitor service.

The Park Maintenance Worker 2 falls under the following organization:

MINISTRY: FORESTRY, PARKS AND TOURISM

DIVISION: PARKS

BRANCH: REGIONAL OPERATIONS

WORK UNIT: GEOGRAPHIC REGION/AREA/DISTRICT

JOB OVERVIEW

The Park Maintenance Worker 2 performs public-facing Park, grounds, and facility maintenance that is intended to ensure park facilities are safe and clean at all times and supports the provision of a high quality visitor experience to park visitors.

The Park Maintenance Worker 2 is expected to operate of heavy equipment (where applicable and as trained), assist in operation of water/wastewater facilities, assist in building and facility maintenance, and contribute to work planning.

The work performed must meet required quality standards, be reflective of visitor needs and organizational priorities, comply with applicable divisional and departmental guidelines and policies, and be completed in accordance with OHS policies and regulations.

ACCOUNTABILITIES

1. Maintain park grounds and facilities to established standards in order to provide a safe, high quality visitor experience and maximize the life span of facilities by:

- Performing various maintenance tasks such as:
 - grass cutting & vegetation management
 - garbage collection and litter pick-up
